# Annual Walk & Family Picnic - July 18, 2026

The Annual Walk & Family Picnic is Smile Oregon’s largest and most anticipated gathering, uniting children impacted by craniofacial conditions, their families, and the wider community for a day of celebration, connection, and support. Families enjoy food, games, and friendship while young people take the lead in sharing their stories and building understanding.

Sponsorship of this event is an investment in community. Partners who support the Walk help create an environment where families feel seen and supported, where kids can step into leadership, and where the broader community learns empathy and inclusion. It’s a meaningful way to align your brand with joy, resilience, and shared purpose.
