

Our mission is to ensure that every child affected by a cleft or craniofacial condition living in Oregon and SW Washington has access to the coordinated care they deserve by providing support, awareness and education.

January 30, 2019

Dear Friend,

I hope this letter finds you well. I wanted to reach out to you about one of my life's passions, Smile Oregon. As you may know, a child born with a cleft or craniofacial condition has a long journey filled with multiple doctor's appointments, surgeries, therapies, and treatments to ensure they can eat, speak, hear, and smile. Many lack the resources to receive the necessary coordinated care they deserve. Smile Oregon stands to fill this gap to ensure that every child and their family receives the support they need so each child can grow up and live a healthy and full life.

Thank you for helping me smile!

I'd like to invite you to stand with Smile Oregon and become involved with the incredible work that is being done for these deserving children. By sponsoring Smile Oregon's 3rd Annual Spring Gala, you will ensure that every child will make it to the finish line. The event gathers caring people like you for an evening of laughter, inspiration and giving. We promise...it will be an incredible night!

The special evening will be hosted at Multnomah Athletic Club on the evening of Thursday, April 18, 2019. Delicious appetizers, desserts and cocktails will be provided, along with a silent auction of unique items and experiences.

Please see the enclosed information on sponsorship levels and do what you can to ensure that kids with cleft and craniofacial conditions receive the treatment they need to restore their most confident smiles! We hope you will take part in this incredible story!

With Appreciation,

Judah Garfinkle
