

January 23, 2023

Dear Friend,

We recently got a call from a worried dad whose 2nd grade son, Emmett, has been experiencing severe bullying for his facial difference and speech. They live in a rural area where access to services is very limited. Emmett's school district offers only limited sessions from a traveling speech therapist. It's just not enough.

Because of generous people like you, Smile Oregon had funds to help with counseling and additional speech therapy, along with many community resources to help him along his journey. School districts are understaffed and because of inflation, many families don't have the resources to get the help that they need. Smile Oregon's mission is to fill the gap to ensure that every family receives financial and community support so each child can grow up and live a healthy and full life.

I'd like to invite you to stand with Smile Oregon and become involved with the incredible work that is being done for these deserving children. By sponsoring Smile Oregon's A Night of Smiles Gala, you will ensure that every child can live out their dreams to the fullest. The event gathers caring people like you for an evening of laughter, inspiration and giving. We promise...it will be an incredible night!

This glamorous evening will be hosted at **Langdon Farms on Saturday, April 22, 2023**. It will include dinner, live music, live and silent auction, travel raffle, and stories of impact.

Please see the enclosed sponsorship opportunities. You can make dreams come true and ensure Emmett and kids like him with cleft and craniofacial conditions receive the treatment and support they need to restore their most confident smiles!

For Emily,

Dr. Judah Garfinkle

Board President & Co-Founder

Erica Soto

Executive Director

P.S. Getting your response to us by **April 3rd** ensures your business is included in all event promotional materials. Our Executive Director, Erica Soto, can assist you with your sponsorship.
